Summary

I am naturally inquisitive; I like to learn and explore new ideas. I believe in the inevitability of change and work towards adapting to change. I am a passionate software developer with experience in JavaScript, MongoDB, Express, React, Node, Cloud Development and Architecture. The fable of the Crow and the Pitcher is what best represents my professional journey.

Experience

Software Developer

pemtergroup

Jan 2021 - Jul 2021 (7 months)

1. Collaborated with a team of developers and designers to create a web application in ReactJS.
2. Designed the data and presentation layer of the web application's front-end.
3. Used additional JavaScript libraries such as React Context API to manage the web application's state, derive computed data from the state of the system, and make asynchronous API calls in JavaScript.
4. Translated the client's technical requirements into code.
5. Tested and updated the web application so that it can be used on all web browsers.

Junior Web Developer

Conceptshub

Jan 2021 - Mar 2021 (3 months)

1. Assisted the web development team with all aspects of website and application design with Figma and Material-UI.
2. Assisted with the testing and maintenance of backend and front-end applications with Express, Mongo and React JS
3. Brainstormed new tech applications such as digital storage and mobile technology.
4. Collaborated with developers to implement new web features.

Web Developer

vulnerablechildrenconcernskenya

Oct 2020 - Feb 2021 (5 months)

1. Wrote well designed, testable, efficient code by using best software development practices
 2. Built website layout/user interfaces by using standard HTML/CSS practices
- Integrating data from various back-end services and databases.

Information Technology Intern

Kenya Ministry of Agriculture, Livestock, Fisheries and Cooperatives

Mar 2019 - Jun 2019 (4 months)

1. Handled network routing and configuration for various departments within the Ministry.
2. Installed and configured computer hardware, software, systems, networks, printers, and scanners.
3. Provided technical support across the company.

Education

Africa International University

Bachelor's degree, IT
2018 - 2021

KCA University

CCNA, System, Networking, and LAN/WAN Management/Manager
2019 - 2020

Starehe Boys' Centre and School

High School Diploma
Jan 2013 - Nov 2017

Licenses & Certifications

Blockchain Intro - IBM

gs180234bsit@aiu.ac.ke

SOLOLEARN HTML FUNDAMENTALS CERTIFICATE - Sololearn

Certificate #1014-9733611

Usable Security - Coursera

3UTB6ZM8RZKV

Cisco Certified Network Associate Routing and Switching (CCNA) - Cisco

API - IBM

Node.js V2 - IBM

JavaScript Algorithms and Data Structures - freeCodeCamp

Modern JavaScript for ReactJS - ES6 - Udemy

UC-1ad2b96d-feef-45a1-bd8c-19f98d0a967b

 **AWS Services for Solutions Architect 2021 - Udemy**
UC-6947d87c-dca5-4d93-8dbd-1d2f959a00b1

Skills

Programming • React.js • MongoDB • JavaScript • Web Development

Honors & Awards

Certificate of Participation - Kenya Red Cross Youth

Aug 2016

Was enrolled as a Youth Member of the Kenya Red Cross Society, joining others all over the world to help the sick and suffering.
