Frontend
Backend
UI/UX
CI/CD
JavaScript
Interpersonal

SOFTWARE DEVELOPER SUMMARY

- Focused and quick-learning Software Developer with 2 years of experience in MongoDB, Express, React, Node, JavaScript, and UX design for various projects and clients.
- Developed full stack applications from the ground up, including a Parking Management System in React and Node, and an E-commerce mobile application in React Native.
- Seeking to use proven skills in MERN technologies and project management to meet business needs

PROFESSIONAL EXPERIENCE

SOFTWARE DEVELOPER - FREELANCE (REMOTE)

Vulnerable Children Concerns Kenya / October 2020 - October 2021

- Wrote well designed, testable, efficient code by using best software development practices like High Cohesion - Low Coupling to reduce module complexion.
- Built website layout/user interfaces by using standard ReactJs components as well as React Hooks integrating data from various back-end services and databases.
- Integrated a backend email service with Nodemailer.

WEB DEVELOPER - FREELANCE

Pemter Marketing / March 2021 - July 2021

- Collaborated with a team of developers to design the data and presentation layer of the web application's front-end with Material ui and Figma.
- Used additional JavaScript libraries such as React Context API and Recoil to manage the web application's state, derive computed data from the state of the system, and make asynchronous API calls.
- Tested and updated the web application with Jest so that it can be used on all web browsers.

SOFTWARE DEVELOPER - INTERN

ConceptsHub / January 2021 - March 2021

- Designed wireframes with Figma and Adobe illustrator.
- Collaborated with the development team to develop backend and front-end applications with Express, Mongo and ReactJs.
- Deployed web applications through Continuous Integration/Development on GitHub.
- Collaborated with developers to implement new web features.

CERTFICIATIONS

- **Udemy:** Modern JavaScript for React JS
- **FreeCodeCamp:** JavaScript Algorithms and Data Structures
- **Udemy:** AWS Services for Solutions Architect 2021
